Dear Members:

Thank you and your staff for all of your involvement and encouragement you give to the youth. This year we were the recipients of the generous contribution of $11,701.65 towards our victim emergency fund. I was pleased to be present at the ceremony held October 6, 2011at N.A. Chaderjian Youth Correctional Facility which turned about to be a very nice event. It was encouraging to see the boy's involvement in giving back to those who have been hurt by crime and the effort they are making to change their lives. This could not be possible without people like you who work hard to show them a different way of life.

We would especially like to thank the youth involved in this project. You are taking steps to learn that life is made up of a series of choices and our choices lead us in certain directions. You have chosen to do good by giving to those who are in a difficult place and are in great need. You will not be able to see exactly who the money will help but be reassured it will be used for a good cause. Your donation will go towards direct services to crime victims. It will assist victim's of crime with immediate emergency needs; such as, food, transportation expenses, crime scene cleanups, temporary shelter, u-haul and storage space rental, etc. These are expenses incurred as a result of a victimization and not covered by any other source.

Lastly, thank you for the informative tour and for knowing your skill so well. Good luck to you all!

On behalf of the staff of the San Joaquin County District Attorney's Victim Witness Program we thank you for your generosity.

Sincerely,

Gabriela Jaurequi, Program Director
